

Amendments to the Claims:

This listing of claims will replace all prior versions and listings of claims in the application.

Claim 13 is canceled without prejudice or disclaimer.

Claims 1-11 are amended.

Listing of Claims:

1. (Currently Amended) A device for removing a composition from the skin, the device comprising: a non-shaving head which in use is moved over the skin to effect removal of the composition; a handle; and a joint between the head and the handle, permitting ~~the head to articulate about the handle~~ an articulation of the head about the handle.
2. (Currently Amended) A ~~The~~ device as claimed in claim 1, wherein there is a resistance force acting against articulation of the head, which resistance force increases as the articulation increases.
3. (Currently Amended) A ~~The~~ device as claimed in claim 1 ~~or 2~~, wherein the head ~~is able to articulate~~ comprises an articulation about the handle through an angle in the range 10 to 40°.
4. (Currently Amended) A ~~The~~ device as claimed in ~~any preceding claim~~ claim 3, wherein ~~when a force causing articulation of the head the force causing articulation of the head, is~~ reduced or removed the head is able to recover ~~[[its]]~~ a previous or original position.
5. (Currently Amended) A ~~The~~ device as claimed in ~~any preceding claim~~ claim 3, the device being unitary.
6. (Currently Amended) A ~~The~~ device as claimed in claim 5, the device being a one-part ~~plastics moulding device comprising a plastic~~.

7. (Currently Amended) ~~A~~ The device as claimed in ~~any preceding claim~~ claim 3, wherein the handle is substantially rigid, the head is substantially rigid, and the joint is the only source of the articulation.

8. (Currently Amended) ~~A~~ The device as claimed in ~~any preceding claim~~ claim 3 wherein the joint is formed by a web of plastic[[s]] material at the base of an upwardly open notch between the handle and the head.

9. (Currently Amended) A method of removing a composition from the skin ~~by use of a device as claimed in any preceding claim~~ comprising the steps of applying the device as claimed in claim 1 to skin and removing the composition.

10. (Currently Amended) ~~A~~ The method of effecting depilation, comprising the steps of:

applying a depilatory composition to ~~the skin~~ for a pre-determined interval;

~~allowing it to remain on the skin for a pre-determined interval;~~

removing the depilatory composition and depilated hair by moving a device as defined in ~~any of claims 1 to 8~~ claim 1 over the skin forming depilated skin; and

rinsing the depilated skin.

11. (Currently Amended) A pack comprising a device as claimed in ~~any of claims 1 to 8~~ claim 1 and a depilatory composition.

12. (Original) A pack as claimed in claim 11, wherein the depilatory composition is supplied in a bi-compartment aerosol canister.

13. (Canceled)
